

## **PRESIDENT OF THE UAE CUP S. (G1) TO BE RUN AT CHURCHILL DOWNS**

It has been announced that the President of the UAE Cup S. (G1) will be held on Saturday, June 14, 2014 at Churchill Downs in Louisville, KY on Stephen Foster Day, a Downs After Dark race day. The race will be worth \$100,000 guaranteed, and will be open to all purebred Arabians 4-years-old and up. The race will be contested at 1 1/16 miles and the exact conditions for nominations will be announced at a later date.

Churchill Downs is the site of the 2014 President of the UAE Cup S. (G1).

This is one week after the Arabian Diamond State S. (G2), sponsored by Mokee Arabians. It was requested to change the date of this stakes, but since it has already been published by Delaware Park, they were unable to move the race. If it does not fill, the racing office has stated that it will be rewritten and the requested date is August 9. We will certainly let everyone know as soon as possible if the stake race needs to be rewritten.

## **STAKES SCHEDULE CORRECTION**

Last month the distance was incorrectly listed for the Delaware Park Arabian Juvenile Fillies Championship (G3) sponsored by Rosebrook Farms. It was listed as being run at 6 furlongs, but the correct distance is one mile. The race, open to 3-year-old fillies, will be contested on Saturday, August 2 for a purse of \$20,000. We apologize for any inconvenience this has caused.

## **THANK YOU TO OUR SPONSORS!**

Many thanks to Mokee Arabians ([www.mokeearabians.com](http://www.mokeearabians.com)) and Rosebrook Farms ([www.rosebrookfarm.com](http://www.rosebrookfarm.com)) for their sponsorships of the Arabian Diamond State S. (G2) and the Delaware Park Arabian Juvenile Championship Fillies S. (G3), respectively.

## DELAWARE PARK ARABIAN TRACK RECORDS

The sprint and distance specialist Flaming Tron Ku on the cover of *Arabian Horse World* in 1987.

Printed below you will find the track records for Delaware Park on both dirt and turf. Valiant Boy SBFAR set the track record for 8.50 furlongs last year, but before that the most recent record was set by Sand Witch on the turf in 2010. You have to go back to 2007 to find another new record – Cath tied the 6 furlong record and Kittilina set the record for 5 ½ furlongs. It is commonly known that Burning Sand also ran 6 furlongs in 1:17.00 in 190, but it is not listed by the Arabian Jockey Club.

And check out Flaming Tron Ku who holds the track record sprinting at 5 furlongs as well the very long distances of 1 5/8 miles and 1 2/3 miles. Now that's the true definition of being able to go both short and long!
